

Music, Music, Music

(Lyrics: Sephan Weiss)

I.

Put another nickel in
In the nickelodeon
All I want is loving you and
Music, music, music.

I'd do anything for you
Anything you'd want me to
All I want is kissing you and
Music, music, music.

Closer, my dear come closer
The nicest part of any melody
Is when you're dancing close to me

Put another nickel in
In the nickelodeon
All I want is loving you and
Music, music, music.

II.

Dum-dee-dum dee-dah-dee-dum
Dum-dee-dum dee-dah-dee-dum
Dum-dee-dum dee-dah-dee-dum
And music, music, music.

Dum-dee-dum dee-dah-dee-dum
Dum-dee-dum dee-dah-dee-dum
Dum-dee-dum dee-dah-dee-dum
And music, music, music.

Closer, my dear come closer
The nicest part of any melody
Is when you're dancing close to me

Dum-dee-dum dee-dah-dee-dum
Dum-dee-dum dee-dah-dee-dum
Dum-dee-dum dee-dah-dee-dum
And music, music, music.
